

Northamptonshire Non-Medical Prescriber of the year 2017

We are pleased to inform you that Sue Rogers our Nurse Manager has been awarded the Northamptonshire Non-Medical Prescriber of the year 2017.

Sue is one of 4 Independent Nurse Prescribers at Linden Group, the others being; Alison Moxey, Lesley Virgo and Sue Iwanoff. All of whom have specialist skills and are considered to be an asset to the Practice. We all aim to provide care that is patient focused and undertake regular study to maintain our skills and knowledge base.

To become a Non-Medical Prescriber/Independent Nurse Prescriber, you are required to successfully complete an intensive degree level course to meet the required legal set standards; the course is a combination of taught sessions, achieving competencies in practice with a GP mentor and a prescribing exam.

"I am thrilled and feel very honoured at being nominated, and winning, the Northamptonshire Non- Medical Prescriber of the Year award 2017.

I feel very fortunate to work with such a motivated, hardworking team who have a variety of specialist expertise, and without their support I would not have been able to develop my skills the way I have." Sue Rogers
